Pepperl+Fuchs Announces the Opening of its Sales Office in Malaysia

The continuous growth of Pepperl+Fuchs, a leading developer and manufacturer of electronic sensors and components for the global automation market has never been more evident.

Today Pepperl+Fuchs announces the opening of the new Malaysia sales office – **Pepperl And Fuchs Pte Ltd**. The new premise will be located at C-6-11, Centum @ Oasis Corporate Park, No. 2, Jalan PJU 1A/2, Ara Damansara, 47301 Petaling Jaya, Selangor, Malaysia.

The new sales team is a group of highly motivated and dedicated professionals trained and experienced in providing the best products and solutions. Pepperl+Fuchs is excited about the expansion throughout Malaysia and the development of its new team.

The evident growth within the Malaysian market and the arising new opportunities are the key drivers for the expansion. The new office will further enable Pepperl+Fuchs to build closer relationships and strengthen the commitment to the Malaysian customers.

“This new establishment in Malaysia is an important milestone for Pepperl+Fuchs. We have a strong presence in Malaysia for many years and with this new office, we will continue to build on the successes that our business achieved over the past years.” said Mr. Shane Parr, the Executive Vice President of Pepperl And Fuchs Pte Ltd (Process Automation).

Mr. Matthias Gunkel, the Executive Vice President of Pepperl And Fuchs Pte Ltd (Factory Automation) further commented on the expansion:

“We are very excited with the opening of our Malaysia office. With our dedicated team, we look forward to serve you at our best. We seek your support and friendship to be your automation partner. Your automation is our passion!”
